

LISTING PROMOTER

SINGLE PROPERTY DOMAIN MARKETING SITES

**The original simple as 1-2-3 property website product
JUST GOT BETTER!**

1. Create your free account by contacting your Sales Executive for the URL.
2. Upload your property via address and MLS
3. Choose a domain and publish your property website

Listing Tool

Win more listings by leveraging Listing Promoter, the pre-listing tool that helps you get the listing! With free accounts, and free previews you can physically show your perspective seller how their property would look online without any financial risk. You only purchase the website upon publication.

Closing Gift to Home Buyers

Listing Promoter is the only site that stays with the property and gives you the opportunity to obtain multiple transactions. Keeping in touch has always been a challenge. By gifting the new home buyers with a Listing Promoter website they are sure to cross-promote you and your services. Listing Promoter continues to market you after the transaction is complete, for as long as you want.

Pulls Property Directly From MLS

Listing Promoter pulls your property photos and description directly from the MLS and allows you to modify the photos and copy once imported to a template. Add as many photos and write as much as you want after. This cuts down the set up time to about 2 minutes from start to finish!

123 Sample Street , Cupertino, CA 95014
