The Board or Declarant shall determine, in their sole discretion, whether the provisions of this Declaration have been satisfied. Prior to commencement of any construction, alteration or removal of any Improvement on any Lot, the Plans and Specifications therefor shall be submitted to the Architectural Committee, and construction, alteration or removal thereof may not commence unless and until the Architectural Committee has approved such Plans

and Specifications in writing. All such construction, alteration or removal shall conform to the approved Plans and Specifications.

(b) Each Owner should consult with the Architectural Committee about such Owner's general plans for an Improvement prior to completion of Plans and Specifications. Declarant may, but is not obligated to, adopt, modify or supplement, from time to time, "**Design Guidelines**" to establish the standards for design, construction, landscape and hardscape for Lots and Development Areas. (e) The Board shall establish and may thereafter amend from time to time an application fee that shall be paid by each Owner at the time of submittal of any application and Plans and Specifications to the Architectural Committee. Such fee shall not exceed the reasonable costs and expenses of the Board and the Architectural Committee (including costs of hiring third party architects and other consultants) for the processing and review of Plans and Specifications. The Board or Architectural Committee may, but is not obligated to, adopt additional procedural and substantive rules and guidelines as it may deem necessary or appropriate in connection with the performance of its duties hereunder, provided such additional rules and guidelines shall not conflict with this Declaration.

(f) Any proper approval of Plans and Specifications or grant of waiver or variance pursuant to this Declaration shall be valid for a period of one hundred eighty (180) days only.

The Architectural Committee may, by resolution unanimously adopted in writing, designate one (1) or two (2) of its members or an agent acting on its behalf to take any action or perform any duties for and on behalf of the Architectural Committee. In the absence of such designation, the vote of a majority of all of the members of the Architectural Committee taken at a meeting shall constitute an act of the Architectural Committee. In the event that the members of the Architectural Committee cannot agree by majority vote on any matter submitted to them, the Board may

elect to consider and decide such matter. In the event the members of the Architectural Committee and the Board do not agree and decide any such matter submitted to the Architectural Committee, the matter may be raised at any meeting of the Members of the Association and decided by a majority of those present, provided that a quorum is present.

All waivers and variances must be evidenced in writing and approved by the Architectural Committee or Declarant.

3.7. No Waiver of Future Approvals. The approval or consent of the Architectural Committee to any Plans or Specifications for any work done or proposed or in connection with any other matter requiring the approval or consent of the Architectural Committee or Declarant shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans and Specifications, or other matter whatsoever, subsequently or additionally submitted for approval or consent by the same or a different Owner. The granting of any waivers and variances shall not operate to waive or amend any of the terms and provisions of this Declaration for any purpose except as to the particular work done or proposed and in the particular instance covered by the variance, and such waiver or variance will not be considered to establish a precedent for any future waiver, variance, amendment or approval of similar matters or of the terms and provisions of this Declaration.

3.8. Nonconforming or Unapproved Improvements. The Architectural Committee, at its option, may inspect all work in progress to ensure compliance with approved Plans and Specifications. The Architectural Committee may require any Owner to restore such Owner's Lot to the condition existing prior to construction, alteration or removal of any Improvement thereon, including, without limitation, the demolition and removal of any unapproved or nonconforming Improvement, if such Improvement was constructed or altered in violation of this Article 3. In addition, the Architectural Committee may, but has no obligation to, cause such restoration, demolition and removal of any such Improvement, and levy the amount of the cost thereof as a special Individual Assessment (defined below) against the Lot upon which such unapproved or nonconforming Improvement was constructed or altered.

3.9. Nonliability of Architectural Committee, Board and Declarant. Notwithstanding anything to the contrary in this Declaration, neither Declarant, nor the Architectural Committee nor the members thereof, nor the Board nor the members thereof, shall be liable in any way to any Owner or any other third party due to (i) the construction of any Improvement within the Property, (ii) the compliance of any Owner's Plans and Specifications or Improvements with applicable governmental laws, ordinances and codes or this Declaration, (iii) the creation of an obstruction to the view from an Owner's Lot or

Lots, or (iv) any other act or omission of the Architectural Committee, Declarant, the Board or their respective members in connection with this Declaration, the Lots or the Property.

4.

THE ASSOCIATION

4.1. **Organization.** The Association is a non-profit corporation created by Declarant for the purposes, and charged with the duties and vested with the powers, prescribed by law and set forth in its Certificate of Formation and Bylaws or in this Declaration. Neither the Certificate of Formation nor Bylaws shall for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

4.2. **Membership.** Any person or entity upon becoming an Owner shall automatically become a Member of the Association. Membership shall be appurtenant to and shall run with the property interest, which qualifies the Owner thereof for membership, and membership may not be severed from, or in any way transferred, pledged, mortgaged or alienated except together with the title to such property interest.

4.3. **Voting Rights.** The right to cast votes and the number of votes which may be cast for election of members to the Board (except as provided by *Section 4.4*) and on all other matters to be voted on by the Members will be calculated as set forth below.

(a) **Owner Votes.** The Owner of each Lot will have one (1) vote for each Lot so owned.

(b) **Declarant Votes.** In addition to the votes to which Declarant is entitled by reason of *Section 4.3(a)*, for every one (1) vote outstanding in favor of any other person or entity, Declarant will have four (4) additional votes until the expiration or termination of the Development Period.

(c) **Co-Owner Votes.** When more than one person or entity owns a portion of the fee simple interest in any Lot, all such persons or entities will be Members. The vote or votes (or fraction thereof) for such Lot will be exercised by the person so designated in writing to the Secretary of the Association by the Owner of such Lot, and in no event will the vote for such Lot exceed the total votes to which such Lot is otherwise entitled under this *Section 4.3*.

4.4. **Election of Board Directors.** The Board will consist of at least three (3) persons elected at the annual meeting of the Association, or at a special meeting called for such purpose. **Notwithstanding the foregoing provision or any provision in this Declaration to the contrary, Declarant will have the sole right to appoint and remove all members of the Board until 80% of lots have been purchase from Declarant. Thereafter, the Board shall hold a meeting of Members of the Association for the purpose of electing one-third of the Board (the "Initial Member Election Meeting"), which Board member(s) must be elected by Owners other than the Declarant. Declarant shall continue to have the sole right to appoint and remove two-thirds of the Board from**

and after the Initial Member Election Meeting until expiration or termination of the Development Period.

4.5. Duties of the Association. Subject to and in accordance with this Declaration, the Association, acting through the Board, shall have and perform each of the following duties:

(a) To accept, own, operate and maintain all Common Areas and Facilities and Special Common Areas which may be conveyed, licensed or leased to it by Declarant or third parties with Declarant's consent, together with all Improvements of whatever kind and for whatever purpose which may be located in said areas; and to accept, own, operate and maintain all other property, real or personal, conveyed, licensed or leased to the Association by Declarant and to maintain in good repair and condition all lands, improvements and other Association property owned by or licensed or leased to the Association.

(b) To pay all real and personal property taxes and other taxes and assessments levied upon or with respect to Common Area and Facilities, Special Common Areas or any other property owned by or leased to the Association. The Association shall have all rights granted by law to contest the legality and the amount of such taxes and assessments.

(c) To obtain and maintain in effect policies of insurance which, in the Board's judgment, are reasonably necessary or appropriate to carry out the Association functions.

(d) To make, establish and promulgate, and in its discretion to amend or repeal and re-enact, Bylaws, not in conflict with this Declaration, as it deems proper covering any and all aspects of its functions.

(e) To keep books and records of the Association's affairs.

(f) To improve, maintain, repair, replace, clean, inspect and protect any real property owned by the Association and landscape easements, sign easements, postal easements, drainage easements or any other easements ever granted to the Association, including all improvements, landscaping and equipment located therein or thereon.

(g) To carry out and enforce all duties of the Association set forth in this Declaration.

4.6. Powers and Authority of the Association. The Association shall have the powers of a Texas non-profit corporation and a Texas property owners' association, subject only to such limitations upon the exercise of such power as are expressly set forth in this Declaration. It shall further have the power to do and perform any and all acts which may be necessary or proper, for or incidental to, the exercise of any of the express powers granted to it by the laws of Texas or by this Declaration. Without in any way limiting the generality of the two (2) preceding sentences, the Association and the Board acting on behalf of the Association, shall have the power and authority at all times as follows:

(a) To levy Assessments as provided in Article 5 below.

(b) To enter at any time in an emergency, or in a non-emergency after twenty-four (24) hours written notice, without being liable to any Owner, upon any Lot or into any Improvement thereon, for the purpose of enforcing this Declaration or for the purpose of maintaining or repairing any area, Improvement or other facility to conform to this Declaration, and the expense incurred by the Association in connection with the entry upon any Lot or Improvement and the maintenance and repair work conducted thereon shall be a personal obligation of the Owner of the Lot entered upon, shall be secured immediately by a lien upon the Lot entered upon and the Improvements thereon, and shall be enforced in the same manner and to the same extent as provided in Article 5 hereof for regular and special Assessments. EACH SUCH OWNER WILL INDEMNIFY AND HOLD HARMLESS THE ASSOCIATION AND ITS OFFICERS, DIRECTORS, EMPLOYEES AND AGENTS FROM ANY COST, LOSS, DAMAGE, EXPENSE, LIABILITY, CLAIM OR CAUSE OF ACTION INCURRED OR THAT MAY ARISE BY REASONS OF THE ASSOCIATION'S ACTS PURSUANT TO THIS SECTION 4.6, EVEN IF CAUSED BY THE ASSOCIATION'S NEGLIGENCE IN CONNECTION THEREWITH, EXCEPT TO THE EXTENT ANY SUCH COST, LOSS, DAMAGE, EXPENSE, LIABILITY OR CLAIM IS CAUSED BY THE ASSOCIATION'S ACTUAL GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. The Association shall have the power and authority from time to time, in its own name and on its own behalf, or in the name of and on behalf of any Owner who consents thereto, to commence and maintain actions and suits to enforce, by mandatory injunction or otherwise, or to restrain and enjoin, any breach or threatened breach of this Declaration. The Association is also authorized to settle claims, enforce liens and take all such action as it may deem necessary or expedient to enforce this Declaration; provided, however, that the Board shall never be authorized to expend any Association funds for the purpose of bringing suit against Declarant, its agents, attorneys, contractors, successors or assigns. Specifically, the Association shall have the right to enter onto any Lot to maintain, repair, or replace the walls, landscaping, and associated improvements between the Property and the adjacent roadways. The wall, landscaping, and associated improvements in question is and shall remain the property and responsibility of the Association.

(c) To retain and pay for the services of a Manager to manage and operate the Association, to the extent deemed advisable by the Board. To the extent permitted by law, the Association and the Board may delegate any duties, powers and functions to the Manager. The Members hereby release the Association and the members of the Board from liability for any omission or improper exercise by the Manager of any such duty, power or function so delegated.

(d) To retain and pay for legal and accounting services necessary or proper in the operation of the Association.

(e) To establish accounts into which will be deposited all monies paid to the Association and from which disbursements will be made in performing the functions of the Association.

(f) To obtain and pay for any other property and services, and to pay any other taxes or assessments which the Association or the Board is required to secure or to pay for pursuant to applicable law or the terms of this Declaration.

(g) To enter into contracts with Declarant and with other parties on such terms and provisions as the Board shall determine, and to acquire and own, and to dispose of all manner of real and personal property, whether by grant, lease, gift or otherwise.

(h) To adopt and amend rules regarding the use of the Common Areas and Facilities and Special Common Areas; provided, however that any modifications thereto proposed by the Board must be approved in advance and in writing by the Declarant until expiration or termination of the Development Period.

4.7. Power to Indemnify and to Purchase Indemnity Insurance. The Association shall indemnify a director or officer of the Association against any liability asserted against such person and incurred by such person in such a capacity or arising out of his status as such a person to the maximum extent permitted by the Texas Business Organizations Code, as may from time to time be amended or superseded. Further, the Association may indemnify and/or reimburse and/or advance expenses and/or purchase and maintain insurance or any other arrangement on behalf of any person, other than any person who is a director of the Association, who is or was an officer, attorney, employee or agent of the Association, or is or was serving at the request of the Association as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another corporation, partnership, joint venture, sole proprietorship, trustee, employee benefit plan or other enterprise, against any liability asserted against such person and incurred by such person in such a capacity or arising out of his status as such a person, to such extent (or, in the case of officers of the Association, to such further extent), consistent with applicable law, as the Board may from time to time determine. The provisions of this Section 4.7 shall not be deemed exclusive of any other rights to which any such person may be entitled under any Bylaw, agreement, insurance policy, vote of Members or otherwise.

5.

ASSESSMENTS

5.1. Assessments.

(a) The Association may from time to time levy Assessments against each Owner and each Lot. Except as specifically provided otherwise in this Declaration, the amount of Assessments shall be equal and uniform among all Lots. Any provision herein to the contrary notwithstanding, Declarant and Lots and land owned by Declarant or the Association are exempt from the payment of Assessments.

(b) The Assessments shall be used exclusively for the purpose of promoting the comfort, health, safety and welfare of the Owners, the maintenance and improvement of

the Lots, Development Areas, and Common Areas, and for carrying out the purposes of the Association as stated in this Declaration or as otherwise provided in the Certificate of Formation of the Association.

(c) Where an Owner's obligation to pay Assessments first arises after the commencement of the year or other period for which an Assessment was levied, such Assessment shall be in a prorated amount proportionate to the fraction of the year or other period remaining after said date.

(d) Each purchaser of any Lot, by acceptance of a deed therefor, shall be deemed to covenant to pay to the Association each Assessment levied hereunder against such Lot, whether or not such covenant shall be expressed in any such deed or other conveyance. Each unpaid Assessment, together with interest thereon and costs and expenses of collection thereof, including, without limitation, reasonable attorneys' fees, as hereinafter provided, shall be the personal obligation and debt of the Owner of the Lot against which the Assessment was levied.

(e) The obligation to pay Assessments levied by the Association hereunder is part of the purchase price of each Lot when sold to an Owner. An express vendor's lien is hereby retained to secure the payment of each and every Assessment levied hereunder as well as all interest thereon as provided in Section 5.6 below and the costs and expenses of collection thereof, including reasonable attorneys' fees, and each such vendor's lien is hereby transferred and assigned to the Association, each such vendor's lien to be superior and paramount to any homestead or other exemption provided by law. The Association may enforce the payment of Assessments in accordance with the provisions of this Article 5.

5.2. Regular Annual Assessments. Prior to the beginning of each fiscal year for the Association, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under this Declaration, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund ("**Regular Assessments**"). Regular Assessments sufficient to pay such estimated net expenses shall then be levied by the Association as herein provided, and the amount of such Regular Assessments as determined by the Board shall be final and binding so long as such determination is made in good faith. All Regular Assessments shall be due and payable to the Association in equal bi-annual installments, or in such other manner as the Board may designate in its sole and absolute discretion. The initial annual assessment shall \$800 per Lot per year.

5.3. Development Area Assessments. Prior to the beginning of each fiscal year for the Association, the Board shall estimate the Development Area Expenses, if any, to be incurred by the Association during such year in performing its functions under this Declaration relating to Development Areas or Special Common Areas, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund to determine the Development Area Assessments. Assessments sufficient to pay such estimated net Development Area

Expenses and replacement reserve funds shall then be levied by the Association as herein provided against the Owners of the Lots designated by Declarant to benefit from the Development Areas or Special Common Areas, and the amount of such Assessments as determined by the Board shall be final and binding so long as such determination is made in good faith. All such Development Area Assessments shall be due and payable to the Association at the beginning of the fiscal year for the Association for which such Assessments are payable, or during such fiscal year in equal monthly installments on or before the first (1st) day of each month, or in such other manner as the Board may designate in its sole and absolute discretion.

5.4. Special Assessments. In addition to the Regular Assessments and Development Area Assessments provided for above, the Association may levy special Assessments ("Special Assessments") whenever in the Board's sole opinion such Special Assessments are necessary to enable the Board to carry out the functions of the Association under this Declaration. The amount of any Special Assessments shall be determined by the Board in its sole discretion and shall be due and payable in any manner as the Board may designate.

5.5. Individual Assessments. In addition to any other Assessments, the Board may levy "Individual Assessments" against an Owner and the Owner's Lot. Individual Assessments may include Assessments due upon the transfer of ownership of a Lot subject to the following limitations: At each closing of the purchase of a Lot from Declarant, the purchaser shall pay to the HOA an Individual Assessment of \$800 per Lot, which shall be paid to the Declarant to reimburse it for the initial landscaping. At the time of each subsequent conveyance of such Lot, an Individual Assessment shall be payable to the Association equal to two (2) times the then current regular monthly Assessment. In addition, Individual Assessments may include working capital fee contributions, fees for review of Plans and Specifications submitted by an Owner to the Architectural Committee; fees or charges levied by the Association on a per-Lot basis; pass through expenses for services to Lots or Owners provided by the Association and which are equitably paid by each Lot according to the benefits received; fines for violations of this Declaration; late charges, interest and collection costs on delinquent Assessments; reimbursement for costs incurred in bringing an Owner or the Owner's Lot into compliance with this Declaration; and reimbursement for damage or waste caused by willful misconduct or negligent acts of the Owner or the Owners' guest, invitees or residents.

5.6. Owner's Personal Obligation for Payment of Assessments. Each Assessment provided for herein shall be the personal and individual debt of the Owner of the Lot against which such Assessment was levied. No Owner, other than Declarant, may exempt himself from personal liability for such Assessments. In the event of default in the payment of any Assessment, the Owner of the Lot against which such Assessment was levied shall be obligated to pay interest at the highest rate allowed by applicable usury laws then in effect on the amount of the Assessment from the due date thereof (or if there is no such highest rate, then at the rate of one and one-half percent [1.5%] per month) together with all costs and expenses of collection, including, without limitation, reasonable attorneys' fees.

Declarant may, in its sole discretion, elect to: (i) exempt any un-platted or unimproved portion of the Property from any Assessments levied or charged pursuant to this *Article 5*; or (ii) delay the levy of Assessments against any un-platted, unimproved or improved portion of the Property. Declarant or the Board may also exempt any portion of the Property which is dedicated and accepted by public authority from Assessments.

5.7. Assessment Lien and Foreclosure. To the extent the following does not comply with applicable local, state, or federal law, the following provisions shall be amended or revised to comply with all applicable rules, ordinances, and statutes:

(a) The payment of each unpaid Assessment levied hereunder together with interest thereon as provided in Section 5.6 above and the costs and expenses of collection thereof, including reasonable attorneys' fees, as herein provided, is secured by a continuing lien and charge on the Lot against which such Assessment was levied. Such lien for payment of Assessments shall bind such Lot in the hands of the Owner, and such Owner's heirs, devisees, personal representatives, successors or assigns, and shall be superior to all other liens and charges against such Lot, except only for tax liens, and all sums unpaid on any first lien Mortgage securing sums borrowed for the purchase or improvement of such Lot, provided such Mortgage was recorded in the Official Public Records of Williamson County, Texas, before such Assessment was due. The Association shall have the power, in the Board's sole and absolute discretion, to subordinate the aforesaid lien for payment of Assessments to any other lien. Any such subordination shall be signed by an officer of the Association and recorded in the Official Public Records of Williamson County, Texas. Upon the written request of any Beneficiary holding a lien on any Lot that is superior to the lien for payment of Assessments as provided herein, the Association shall report to said Beneficiary the amount of any Assessments levied against such Lot remaining unpaid for a period of more than thirty (30) days after the same are due.

(b) This Declaration alone evidences the aforesaid lien for payment of Assessments. The Association may also from time to time prepare written notices of Assessment liens setting forth the amount of the unpaid indebtedness, a description of the Lot encumbered by the lien and the name of the Owner of such Lot. Such notices shall be signed by one of the officers of the Association and shall be recorded in the Official Public Records of Williamson County, Texas. The aforesaid lien for payment of Assessments shall attach with the priority set forth above from the date the payment of such Assessments becomes delinquent. The Association may enforce such lien by all lawful means, including, without limitation, by a foreclosure sale of the defaulting Owner's Lot in like manner as a foreclosure of a mortgage or contractual lien on real property as provided in Section 51.002 of the Texas Property Code, as the same may be amended or modified, or the Association may institute suit against the Owner personally obligated to pay the Assessment for monetary damages and/or for the judicial foreclosure of the aforesaid lien. The Owner of the affected Lot shall be required to pay all costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Association in connection with any foreclosure proceeding, whether judicial or non-judicial. The Association shall have the power to bid on any Lot at any foreclosure or other legal sale and to acquire, hold, lease, mortgage, convey or otherwise deal with the same.

(c) The liens for payment of Assessments provided for herein shall not be affected or extinguished by the sale or transfer of any Lot, whether by judicial or non-judicial foreclosure sale or otherwise; provided, however, that in the event of foreclosure of any first lien Mortgage superior to the lien for the delinquent Assessment, the lien for the delinquent Assessment will be extinguished, and the delinquent Assessment shall be paid out of the proceeds of such foreclosure sale only to the extent that funds are available after the satisfaction of the first lien Mortgage. The extinguishing of any lien for payment of Assessments as herein provided will not relieve any Owner from the obligation to pay Assessments subsequently becoming due and payable.

6.

DEVELOPMENT AND DECLARANT RIGHTS

6.1. Exemption of Declarant. Anything in this Declaration to the contrary notwithstanding, neither Declarant, the Lots, nor any other land owned by Declarant, nor any of Declarant's activities shall in any way be subject to the control of or under the jurisdiction of the Board, the Association or the Architectural Committee. Without in any way limiting the generality of the preceding sentence, this Declaration shall not prevent or limit the right of Declarant to excavate and grade; to construct and alter drainage patterns and facilities; to construct any and all types of Improvements, homes, sales and leasing offices and similar facilities; and to post signs incidental to construction, sales and leasing anywhere within the Property.

6.2. Reserved Easements. Declarant hereby reserves easements upon, across, over and under all of the Property and Lots for the purposes of installing, replacing, repairing, maintaining and removing all (i) roadways, (ii) stormwater drainage, detention, retention and discharge infrastructure and (iii) utility lines and facilities of any kind, including, but not limited to, electric, water, wastewater, gas and telecommunications lines and appurtenances thereto, and providing access thereto. By virtue of this easement, it shall be expressly permissible for the utility companies and other entities supplying service to install and maintain pipes, wires, conduits, service line or other utility facilities or appurtenances thereto, on, above, across and under the public utility easements from time to time existing and from service lines situated within such easements to the point of service on or in any Improvement. Notwithstanding any provision contained in this Section 6.2, no electrical lines, water lines or other utilities or appurtenances thereto may be relocated on the Property until approved by Declarant or the Architectural Committee. The utility companies furnishing service shall have the right to remove all trees situated within the utility easements shown on the plat of the Property, and to trim overhanging trees and shrubs located on portions of the Property abutting such easements. Declarant further reserves the right to determine which utility providers are allowed to utilize the easements or otherwise provide utilities within the Property to the fullest extent allowed by law.

6.3. Drainage Easements. Each Owner covenants to provide easements for drainage and water flow, as contours of land and the arrangement of Improvements approved by the

Architectural Committee thereon, require. Each Owner further covenants not to disturb or displace any trees or other vegetation within the drainage easements as defined in this Declaration and as shown on the plat of the Property. There shall be no construction of Improvements, temporary or permanent, in any drainage easement, except as approved in writing by the Architectural Committee. There shall be no interference with the established drainage patterns over any of the Property, except by Declarant, unless adequate provision is made for proper drainage and the prior written approval of the Architectural Committee is obtained. The surface area of easement areas for underground utility services shall be maintained by the Owner of the Lot which such easement overlays and such Owner may use the surface of such easement areas for planting of shrubbery, trees, lawns or flowers. However, neither Declarant nor any supplier of any utility service using any easement area shall be liable to any Owner or to the Association for any damage done by them or either of them, or their respective agents, employees, servants or assigns, to any of the aforesaid vegetation as a result of any activity relating to the construction, maintenance, operation or repair of any facility in any such easement area.

6.4. Additional Land. Declarant may, at any time and from time to time, add other land in proximity to the Property, and upon the filing of a Supplemental Declaration, this Declaration and the covenants, conditions, restrictions and obligations set forth herein (as modified or amended by the covenants, conditions, restrictions and obligations, if any, set forth in a Supplemental Declaration affecting such other land), and the rights, privileges, duties and liabilities of the persons subject to this Declaration shall be the same with respect to the added land as with respect to the Property originally covered by this Declaration. In order to add other land to the Property hereunder, Declarant shall be required only to record in the Official Public Records of Williamson County, Texas, a Supplemental Declaration containing the following provisions: (a) a reference to this Declaration, which reference shall state the document number of the Williamson County Official Public Records wherein this Declaration is recorded; (b) a statement that the provisions of this Declaration shall apply to the other land, as applicable and (c) a legal description of the additional land.

6.5. Withdrawal of Land. Declarant may at any time and from time to time, reduce or withdraw from the Property, and remove and exclude from the burden of this Declaration and the jurisdiction of the Association any portions of the Property that are either (i) owned by Declarant or (ii) owned by parties other than Declarant, provided that Declarant obtains the unanimous written consent of the owners of such portions of the Property. Upon any such withdrawal and removal, this Declaration and the covenants, conditions, restrictions and obligations set forth herein will no longer apply to the portion of the Property withdrawn or removed. In order to withdraw or remove portions of the Property hereunder, Declarant shall be required only to record in the Official Public Records of Williamson County, Texas, a Notice of Withdrawal of Land containing the following provisions: (a) a reference to this Declaration, which reference shall state the document number of the Williamson County Official Public Records wherein this Declaration is recorded; (b) a statement that the provisions of this Declaration shall no longer apply to the withdrawn portion of Property and (c) a legal description of the withdrawn portion of the Property.

6.6. **Development Area Designations.** Declarant may at any time and from time to time, designate portions of the Property as Development Areas for the purpose of enjoying special amenities, benefits or services, paying Development Area Assessments, and/or or being subject to special covenants and restrictions as provided in a Development Area Declaration. In order to subject property to a Development Area Designation, Declarant shall be required only to record in the Official Public Records of Williamson County, Texas, a Development Area Declaration containing the following provisions: (a) a reference to this Declaration, which reference shall state the document number of the Williamson County Official Public Records wherein this Declaration is recorded; and (b) a legal description of the additional land. Declarant may designate and modify one or more Development Areas which may be comprised of different types of Lots and residences and may include noncontiguous Lots and property. A Lot or parcel of property may be included in more than one Development Area.

6.7. **Assignment of Declarant Rights.** Anything in this Declaration to the contrary notwithstanding, Declarant may assign, in whole or in part, any of its privileges, exemptions, rights and duties under this Declaration to any other person or entity and may permit the participation, in whole or in part, by any other person or entity in any of its privileges, exemptions, rights and duties hereunder. Such assignment shall be evidenced by a written instrument, executed by Declarant, recorded in the Official Public Records of Williamson County, Texas. In the event of any partial assignment by Declarant of any of its privileges, exemptions, rights and duties under this Declaration, Declarant shall continue to remain responsible and liable for all its obligations and duties under this Declaration until such time as Declarant has completed a full assignment of all of its privileges, exemptions, rights and duties under this Declaration to any other person or entity. The mere conveyance of a portion of the Property without such a written, recorded assignment of the rights of Declarant shall not be sufficient to constitute an assignment of the rights of Declarant hereunder.

6.8. **Declarant's Right to Specify Utilities.** To the fullest extent allowed by law, for any utility service, including but not limited to phone, internet, satellite, cable, water, electrical, natural gas, or wastewater, Declarant may mandate or prohibit the use of any such utility provider; however, in the event Declarant mandates the use of any utility provider, an Owner may opt out of such mandate by paying a fee of \$1,500 per utility opted out of, all due at the time such Owner elects to opt out of such mandate(s) in writing.

7.

MISCELLANEOUS

7.1. **Term.** This Declaration, including all of the covenants, conditions and restrictions hereof, shall continue in force and effect until January 1, 2060, unless terminated as herein provided. After January 1, 2060, this Declaration, including all such covenants, conditions and restrictions, shall be automatically extended for successive periods of ten (10) years each, unless amended or extinguished by a written instrument executed by Declarant (if

during the Development Period) and the Owners of at least seventy-five percent (75%) of the Lots.

7.2. **Amendment.** This Declaration may be amended or terminated by the Recording of an instrument executed and acknowledged by: (i) Declarant acting alone; or (ii) by the president and secretary of the Association setting forth the amendment and certifying that such amendment has been approved by Declarant (until expiration or termination of the Development Period) and Members entitled to cast at least sixty-seven percent (67%) of the total number of votes entitled to be cast by members of the Association. The foregoing sentence shall in no way be interpreted to mean sixty-seven percent (67%) of a quorum as established pursuant to the Bylaws. No amendment will be effective without the written consent of Declarant, its successors or assigns, during the Development Period. Specifically, and not by way of limitation, Declarant may unilaterally amend this Declaration: (a) to bring any provision into compliance with any Applicable Law; (b) to enable any reputable title insurance company to issue title insurance coverage on any Lot; (c) to enable any institutional or governmental lender, purchaser, insurer or guarantor of mortgage loans, including, for example, the Federal Home Loan Mortgage Corporation, to make, purchase, insure or guarantee mortgage loans on Lots; or (d) to comply with any requirements promulgated by a local, state or governmental agency, including, for example, the Department of Housing and Urban Development.

7.3. **No Warranty of Enforceability.** While Declarant has no reason to believe that any of the restrictive covenants or other terms and provisions contained in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity or enforceability of any such restrictive covenants, terms or provisions. Any Owner acquiring a Lot in reliance on one or more of such restrictive covenants, terms or provisions shall assume all risks of the validity and enforceability thereof and by acquiring the Lot agrees to hold Declarant harmless therefrom.

7.4. **Notices.** Any notice permitted or required to be given by this Declaration shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered on the third (3rd) day (other than a Sunday or legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to the person at the address given by such person to the Association for the purposes of service of notices, or to the residence of such person if no address has been given to the Association. Such address may be changed from time to time by notice in writing given by such person to the Association.

7.5. **Interpretation.** The provisions of this Declaration shall be liberally construed to effectuate the purposes of creating a uniform plan for the development and operation of the Property and of promoting and effectuating the fundamental concepts of the Property set forth in this Declaration. This Declaration shall be construed and governed under the laws of the State of Texas.

7.6. Enforcement and Nonwaiver.

(a) Except as otherwise provided in Article 8 or any other provision of this Declaration, any Owner at his own expense, Declarant or the Board shall have the right to enforce the provisions of this Declaration. Such right of enforcement shall include both damages for, and injunctive relief against, the breach or threatened breach of any such provision.

(b) Every act of omission whereby any provision of this Declaration is violated, in whole or in part, is hereby declared to be a nuisance and may be enjoined by any Owner (at his own expense), Declarant or the Board.

(c) Any violation of any federal, state or local law, ordinance or regulation pertaining to the ownership, occupancy or use of any portion of the Property is hereby declared to be a violation of this Declaration and subject to all of the enforcement procedures set forth herein.

(d) The failure to enforce any provision of this Declaration at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of this Declaration.

(e) The Association shall have the right, when appropriate in its judgment, to claim and impose a lien upon any Lot or Improvement constructed thereon in order to enforce any right under, or effect compliance with, this Declaration.

7.7. Construction.

(a) The provisions of this Declaration shall be deemed independent and severable. If any clause or provision of this Declaration is or should ever be held to be illegal, invalid or unenforceable under any present or future law applicable to the terms hereof, then and in such event, it is the intention that the remainder of this Declaration shall not be affected thereby, and that in lieu of each such clause or provision of this Declaration that is illegal, invalid or unenforceable, this Declaration be reformed to automatically add as a part of this Declaration a clause or provision as similar in terms to such illegal, invalid or unenforceable clause or provision as may be possible and be legal, valid and enforceable.

(b) Unless the context requires a contrary construction, the singular shall include the plural and the plural, the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter.

(c) All captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise effect that which is set forth in any of the paragraphs, sections or articles hereof.

8.

DISPUTE RESOLUTION

8.1. **Encouragement of Alternative Dispute Resolution.** Declarant, the Association and its officers, directors and agents, the Architectural Committee and each party subject to this Declaration (individually, a "Party," and collectively, the "Parties") acknowledge and agree that it is in the best interest of all Parties to encourage the amicable resolution of disputes, controversies and claims involving the Property without the costs of litigation. Each of the Parties agree not to file suit in any court regarding a Claim unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in this Article 8 and processed such Claim in a good faith effort to resolve such Claim.

8.2. **Alternative Dispute Resolution Claims.** The term "Claim(s)" shall mean any dispute, controversy or claim arising out of or relating to (a) the interpretation, application or enforcement of this Declaration, any Supplemental Declaration, any Design Guidelines, the Association Certificate, the Bylaws, and the rules and regulations for the Property adopted by the Board (collectively, the "Declaration and Association Documents"); (b) the rights, obligations and duties of any Party under the Declaration and Association Documents and (c) the design or construction of Improvements within the Property.

8.3. **Exempt Claims and Actions.** Any provision to the contrary notwithstanding, the following "Exempt Claims and Actions" shall not be considered Claims and are not subject to the limitations and requirements to participate in the alternative dispute resolution procedures set forth in this Article 8: (i) any suit by the Association to collect Assessments or other amounts due from any Owner, (ii) any action or judicial or non-judicial procedure to foreclose the liens created by this Declaration; (iii) any suit by the Association or Declarant to enforce the terms of this Declaration or preserve the Association's ability to enforce this Declaration; (iv) any suit in which any indispensable party is not a Party; and (v) any suit filed within thirty (30) days prior to the expiration of an applicable statute of limitations for the applicable Claim. Any attempt to resolve the Exempt Claims and Actions through alternative dispute resolution procedures shall not be deemed a waiver of, and a party shall not be deemed estopped from exercising, the right of such party to institute any action at law or equity to resolve such Exempt Claims and Actions.

8.4. **Alternative Dispute Resolution Procedures.**

(a) **Notice.** The Party asserting a Claim ("Claimant") against another Party ("Respondent") shall give written notice to each Respondent plainly stating: the nature of the Claim, the parties involved, the legal basis of and authority for the Claim, and Claimant's proposed resolution or remedy.

(b) **Negotiation.** Claimant and Respondent will make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by reasonable and good faith negotiations. The Board may, but shall not be obligated to, appoint a representative to assist the Parties in negotiating a resolution of the Claim.

(c) **Mediation.** If the applicable Parties have not resolved the Claim through negotiation within thirty (30) days after delivery of the notice of claim (or such other negotiation period as the parties may agree upon), Claimant will have thirty (30) days thereafter to submit the Claim to mediation by an impartial person or entity designated by the Association; provided if the Association is a party to the Claim, the Association shall designate an impartial party not personally acquainted with the Board or the officers of the Association. Each Party shall bear its own costs of the mediation, including its attorneys' fees. Each Claimant and Respondent party shall share equally all reasonable fees charged by the mediator.

(d) **Settlement.** Any settlement of the Claim through negotiation or mediation will be documented in writing and signed by the applicable Parties.

8.5. **Litigation.** If the applicable Parties have not resolved the Claim through mediation within thirty (30) days after submittal to the mediator, the Claimant will thereafter be entitled to file suit or to initiate administrative proceedings on the Claim.

8.6. **WAIVER OF JURY TRIAL.** EACH OF THE PARTIES WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE ARISING OUT OF, CONNECTED WITH, RELATED TO OR INCIDENTAL TO THIS DECLARATION. ANY SUCH DISPUTES SHALL BE RESOLVED IN A BENCH TRIAL WITHOUT A JURY.

EXECUTED to be EFFECTIVE as of the Effective Date.

§ **KNOWN ALL MEN BY THESE PRESENTS:**

COUNTY OF WILLIAMSON

§

THAT **ASHBY CAPITAL INVESTMENTS, L.L.C.**, a Texas limited liability company of Georgetown, Williamson County, Texas, has caused to be surveyed and platted the lands hereinafter described under the subdivision name "PENINSULA" and has caused the same to be subdivided into blocks and lots, and does hereby dedicate the utility easements shown on the plat to the utilities, and imposes upon hereinbelow described lots the following design guidelines for the benefit of all of the Owners and Purchasers thereof, as follows, TO WIT:

I.

DESCRIPTION

The property subject to these restrictions is as follows:

The PENINSULA Subdivision, a subdivision in Williamson County, Texas, according to the plat filed in the real property records of Williamson County, Texas under Document No. 2020151275. (herein referred to as the "Plat" and the "Property," respectively)

II.

USES OF LAND

All Lots in this section shall be utilized for single-family residence purposes only. No structure shall be erected, placed, altered, or permitted to remain on any of the said Lots, other than the one detached single-family dwelling of no more than two and one-half (2½) stories in height, together with private garages, carports, servant's quarters, storage room(s), in-ground pool or

utility room approved in writing by the Architectural and Restrictions Committee. No building shall be erected on any Lot until after or coincident with the building of a dwelling thereon. Lots may not be divided or replatted into smaller lots; however, lots may be replatted or combined into larger lots, subject to the City of Georgetown ordinances governing the replatting of such lots.

No residence of a temporary character shall be permitted on any Lot. No shack, basement, garage, trailer, manufactured housing unit or mobile home, tent, barn, or other out-building(s) erected on or moved to any Lot in the subdivision shall at any time be utilized as a residence, temporarily or permanently.

No noxious or offensive activity or profession shall be carried out on any Lot, nor shall anything be done thereon which may be or become any annoyance or nuisance to the neighborhood.

Notwithstanding anything to the contrary herein stated, the Developer of the Property may build or utilize any structure deemed necessary or advisable for sales and administrative purposes during the development of the Property of which this subdivision is a part.

III.

LOT AREA AND FRONTAGE

Every dwelling erected on any Lot shall front or present a good frontage on the street on which said Lot fronts. The size, shape, and frontage of any Lot shall be defined by the Plat.

IV.

APPROVAL OF PLANS

No building or fence shall be erected, placed, or altered on any building Lot in this subdivision until the building plans, specification, exterior materials, exterior colors, and plot plan showing locations of such building have been approved in writing as to quality of construction,

conformity, and harmony of design with existing structures in the subdivision by the Architectural and Restrictions Committee, initially comprised of Norm Ashby, Jill Ashby, and Heath Wagstaff, or a representative designated by a majority of the members of said committee. In the event of the death or resignation of any member(s) of said committee, Norm Ashby (or the remaining member(s) if one of them is not Norm Ashby) shall have full authority to approve or disapprove such design and locations, or to designate a successor representative with like authority. In the event said committee or its designated representative fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, and no suit to enjoin the erection of such building or the making of such alterations have been commenced prior to the completion thereof, such approval will not be required, and this compliance with this covenant shall be deemed to have been met. Neither the members of such committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. The powers and duties of such committee and of its designated representative shall cease on or after June 1, 2039. Thereafter, the approval described in this covenant shall not be required, unless, prior to said date and effective thereon, a written instrument shall be executed by the then record owners of a majority of the lots in this subdivision and duly recorded, appointing a representative or representatives who shall thereafter exercise the same powers previously exercised by this committee.

Such committee shall be empowered to consider requests for variance(s) from the restrictions contained herein and to grant same, if found by the committee to be desirable from the standpoint of balancing the needs of the applicant(s) with the needs of all owners in the subdivision to avoid disruption of the overall plan or scheme of the development of the subdivision. The said

committee is authorized to relocate utilities to any easement within the subdivision, provided that, in the case of a utility easement, the utility companies have not already installed such utilities.

Any building or contractor desiring to construct a dwelling on any Lot shall submit all plans and specifications for said dwelling to the Architectural and Restrictions Committee for approval thereof.

In addition, construction of the dwelling must be by a builder approved by the committee. Buildings must submit proof of financial responsibility, adequate proof of insurance, and items showing past and current ability to complete quality construction.
