**DECLARATION OF CONDOMINIUM REGIME FOR
2312 ENFIELD CONDOMINIUMS**

STATE OF TEXAS §
 §
COUNTY OF TRAVIS §

KNOW ALL MEN BY THESE PRESENTS:

That Enfield Muse, LLC, a Texas limited liability company, (the "**Declarant**"), the owner of that certain tract of real property situated in Travis County, Texas more particularly described hereinafter together with all improvements thereon, wishes to submit such land and improvements located thereon to a condominium regime pursuant to the provisions of Chapter 82 of the Texas Property Code and does hereby establish and declares a condominium regime covering such land and Improvements in accordance with the provisions and terms hereof.

**ARTICLE I
RECITALS**

1.01 Declarant is the Owner of all of the real property, including the land, all improvements and structures on the property; and all easements, rights and appurtenances belonging to the property (the "**Property**"), consisting of one tract of land, more particularly described on **Exhibit A**, attached hereto and incorporated herein by reference.

1.02 Declarant submits the Property to a condominium regime established by the Texas Uniform Condominium Act ("**TUCA**"), which is codified in Chapter 82 of the Texas Property Code.

1.03 The Property constitutes a condominium project (the "**Project**") within the meaning of TUCA. The formal name of the Project is 2312 Enfield Condominiums.

1.04 Declarant intends and desires to establish by this declaration a plan of ownership for the Project (the "**Plan**"). The Plan consists of individual ownership of residential units (the "**Units**"). The Project shall consist of three buildings with a total of no more than three Units.

1.05 The Declarant intends to impose on the Project mutually beneficial restrictions for the benefit of all Units and the persons who own those Units (the "**Owners**"). The Declarant further intends, in accordance with the terms set forth herein, that the Owners will govern the Project by means of an organization of Owners, which organization is hereinafter referred to as the "**Association**", as more particularly set forth herein. The formal name of the Association is 2312 Enfield Condominium Association, Inc.

1.06 The land, buildings, and other areas of the Project are shown on the Plat or Site Plan ("**the Plat or Site Plan**") attached hereto as **Exhibit "B"** and incorporated herein by reference. The Project shall initially consist of three buildings to be sold as part of the Units. Each Owner shall be entitled to a fractional share of all the Common Elements. The fractional share shall be rounded to the nearest ten-thousandth percent. The allocated interests are set forth

on the Exhibit "C" attached hereto ("**Allocated Interests**" or "**Percentage Interests**") and the Units are set forth on the attached Site Plan. Notwithstanding the above, Declarant has reserved the right to add additional real property to the Property, increase the number of Units, amend the Plat, and adjust the allocation of Percentage Interests among the Units. If any of the foregoing occur, Declarant shall have the right to amend this Declaration and restate the number of Units and the revised Allocated Interests, it being understood that each Unit will have an equal Allocated Interest to the other Units. By way of example only, if there are four Units, each Unit will have a Percentage Interest of 25% and if there are five Units each Unit will have a Percentage Interest of 20%.

1.07 Therefore, the Declarant declares that the Project is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied, and improved subject to the following covenants, conditions, and restrictions, all of which are declared and agreed to be in furtherance of a plan for the improvement of the Property, and all of which are established and agreed on for the purpose of enhancing and perfecting the value, desirability, and attractiveness of the Project and every part of the Project. All covenants, conditions, and restrictions, shall run with the Property and shall be binding on all parties having or acquiring any right, title, or interest in or any part of the Property and shall be for the benefit of each Owner of the Project or any interest in the Project and shall inure to the benefit of and be binding on each successor in interest of the Owners.

3.01 Property Subject to Declaration. All the real property described on **Exhibit "A"** attached hereto including the land, all improvements and structures on the Property including, but not limited to, three buildings to be constructed upon the property and all the easements, rights, and appurtenances belonging to the Property shall be subject to this Declaration. Declarant shall retain the right to add additional real property to the Property, increase the number of Units, amend the Plat, and adjust the allocation of Percentage Interests among the Units.

3.02 Exclusive Ownership and Possession. Each Owner shall be entitled to the exclusive ownership and possession of the Owner's Unit. Any Unit may be jointly or commonly owned by more than one person. No Unit may be subdivided. The boundaries and identifying number of each Unit are shown on Exhibit “B” attached hereto. The boundaries of each Unit are further described as follows:

- a. Lower Boundary of the Unit: The horizontal plane parallel to and fifty feet (50’) below the finished grade of the land within the Unit as described and defined on Exhibit “B”.
- b. Upper Boundary of the Unit: The horizontal plane parallel to and fifty feet (50’) above the lower boundary of the Unit.
- c. Lateral Boundaries of the Unit: A plane on each side of a Unit perpendicular to the lower and upper horizontal planes, from the lower boundary of the Unit to the upper boundary of the Unit.

Each Unit includes the spaces and improvements within the lower, upper and lateral boundaries as defined above, including without limitation the Building, the roof foundation of the Building, landscaping, driveways, sidewalks, fences, yards, utility lines and meters and all other improvements located within the Unit. In addition, all furnaces, air conditioners, wiring, conduits and plumbing outside the Unit that provide service to only that Unit shall also be the property of the Unit Owner and defined as part of the Unit.

The space contained within the vertical and horizontal boundaries of a Unit is not related to the size of the Building. A Building may only occupy a portion of a Unit.

Not a Typical Condominium Unit

Although a Unit resembles a platted lot: (i) a Unit does not include land; (ii) the conveyance of a Unit is not a metes and bounds conveyance of land; and (iii) the creation of a Unit does not constitute a subdivision of land. Instead, each Unit is the surface of a designated piece of land, and everything above the surface for 50 feet and anything below the surface that serves to support the above-surface improvements.

3.03 Common Elements. Each Owner shall be entitled to an undivided interest in the Common Elements in the percentage expressed in Paragraph 1.06 herein. The percentage of the undivided interest of each Owner in the Common Elements shall have a permanent character and shall not be altered unless either (i) Declarant adds additional real property and additional Units to the Project or (ii) the consent of all Owners is given for such alteration, expressed in an amended, duly recorded Declaration. The percentage of the undivided interest in the Common Elements shall not be separated from the Unit to which it pertains and shall be deemed to be conveyed or encumbered or released from liens with the Unit even though interest is not expressly mentioned or described in the conveyance or other instrument. Each Owner may use the Common Elements, except the Limited Common Elements, in accordance with the purpose for which they are intended as long as the lawful rights of the other Owners are not hindered or encroached on.

3.04 Limited Common Elements. The Common Elements to be designated as Limited Common Elements are reserved for the exclusive use of the Owners of the respective Units for which they specifically benefit.

3.05 Partition of Common Elements. The Common Elements, both general and limited, shall remain undivided and shall not be the object of an action for partition or division of ownership so long as the Property remains a condominium project. In any event, all mortgages must be paid prior to the bringing of an action for partition or the consent of all mortgagees must be obtained.

3.06 Non-Exclusive Easements. Each Owner shall have a non-exclusive easement for the use and enjoyment of the General Common Elements and for ingress, egress, and support over and through the General Common Elements. These easements shall be appurtenant to and shall pass with the title to each Unit and shall be subordinate to the exclusive easements granted elsewhere in this Declaration, as well as to the rights reserved to the Association to regulate time and manner of use, to charge reasonable admission fees, and to perform its obligations under this Declaration.

3.07 Other Easements. The Association may grant to third parties easements in, on, and over the Common Elements for the purpose of constructing, installing, or maintaining necessary utilities and services. Each Owner, in accepting the deed to the Unit, expressly consents to such easements. No such easement may be granted, however, if it would interfere

with any exclusive easement or with any Owner's use, occupancy, or enjoyment of the Owner's Unit.

3.08 Easements for Maintenance of Encroachments. None of the rights and obligations of the Owners created in this Declaration or by the deeds granting the Units shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of such encroachments so long as they shall exist provided, however, that in no event shall a valid easement for an encroachment be created in favor of any Owner if the encroachment occurred because of the willful conduct of the Owner.

ARTICLE IV THE ASSOCIATION

4.01 Duties. The Association, organized as a nonprofit corporation under the Texas Non-Profit Corporation Act, operating under the name of 2312 Enfield Condominium Association, Inc., is charged with duties and invested with the powers prescribed by law and set forth in this Declaration and in the Association's Certificate of Formation and Bylaws. The affairs of the Association shall be managed and its duties and obligations performed by a Board of Directors. Provisions regulating the number, term, qualifications, manner of election, and conduct of the meetings of the members of the Board of Directors shall be set forth in the Bylaws of the Association.

4.02 Powers. The affairs of the Project shall be administered by the Association that shall have the rights, powers and duties of a "counsel of co-owners" as that term is used in the Act. The Association shall have the power and obligation to provide for the maintenance, repair, replacement, administration, insurance, and operation of the Project in accordance with the terms hereof. The initial Board of Directors of the Association shall serve until the first meeting of the Association as provided for in the Bylaws.

4.03 Membership: Voting. Each Owner, including Developer, shall be a member of the Association so long as he shall be an Owner, and such membership shall automatically terminate when such ownership ceases. Upon the transfer of ownership of a Unit, however achieved, including, without limitation, by foreclosure of a lien upon a Unit, the new Owner thereof shall, concurrently with such transfer, become a member in the Association. Each member, including Developer, shall have a vote or votes in the Association according to Section 1.06 hereof. Developer shall have the right to vote all shares of the unsold Units. In the event Developer declares in writing that no further construction shall occur, the votes shall be reapportioned on the basis of the Units actually built.

4.04 Initial Board. The Initial Board of Directors of the Association shall be the persons named in the Certificate of Formation, who shall serve pursuant to the Bylaws until their successors are qualified. The Board shall meet as set forth in the Bylaws.

ARTICLE V - REGULAR AND SPECIAL ASSESSMENTS

5.01 Covenant to Pay. Declarant covenants and agrees for each Unit owned by it in the Project, and each Owner by acceptance of the deed to such Owner's Unit, is deemed to covenant and agree, to pay to the Association the regular and special assessments levied pursuant to the provisions of this Declaration. All monies collected shall be put into a maintenance fund to be used to defray expenses attributable to the ownership, operation, and maintenance of common interest by the Association. An Owner may not waive or otherwise escape liability for these assessments by abandonment of the Owner's Unit.

5.02 Ad Valorem Taxes for Common Elements. Each Unit shall include the percentage interest of the Common Elements, for all purposes including, but not limited to, assessment of ad valorem taxes. Each Owner shall be solely responsible for payment of all taxes assessed on such Owner's Unit.

5.03 Monthly Assessments. Upon the recordation of this Declaration, the initial Board shall meet and establish a budget for the operation and maintenance of the Project for that portion of the calendar year then remaining, which budget shall set forth the Board's reasonable estimate of all expenses which the Association will incur and such operation and maintenance of the Project for the remainder of such year. Such budget, and all successive budgets, shall include a reasonable allowance for contingencies and shall include reasonable Replacement Reserve Fund for maintenance, repairs, including those that must be replaced on a periodic basis. Such initial budget, and those adopted thereafter, shall provide for ad valorem tax expenses of the Common Elements only in the event that the taxing authorities having jurisdiction thereover will not include the Common Elements in the assessment of individual Units. Thereafter, annually, in the last calendar quarter of each year, the Board shall meet and establish such a budget, for the next succeeding calendar year. Copies of each budget shall be posted at the Project for inspection by the Owners. After each such budget is adopted by the Board, the Board shall determine the Common Expense Charge required for the operation of the Project and the maintenance of the Common Elements and for the allowance for contingencies and the Replacement Reserve Fund for the calendar year in question, and the portion thereof allocable to each Owner and each Owner shall be obligated to pay monthly, in advance, one-twelfth (1/12) of the portion of the Common Expenses Charge so allocated to such Owner. The Common Expense Charge shall be allocated to those Owners obligated by this Declaration to pay same, according to the respective Percentage Interest of such Owners. An Owner's first monthly payment shall begin upon the purchase of such Owner's Unit except for initial Owners whose first monthly payment shall begin upon purchase of the Unit or substantial completion of the Unit finish out, whichever occurs last.

5.04 Special Assessments. If the Board at any time, or from time to time, determines that the Common Expense Charge assessments for any period is insufficient to provide for the continued operation of the Project, then the Board shall have the authority to levy such special assessments as It shall deem necessary to provide for such continued maintenance and operation. Without limiting the generality of the foregoing, such special assessment may be assessed because of casualty, condemnation, or other loss to any part of the Common Elements or to make up for any deficiencies caused by non-payment of Common Expense Charges by Owners. The

Board may make special assessments totaling up to One Thousand & No/100 Dollars (\$1,000.00), in the aggregate, during any one (1) calendar year without the requirement of a vote of the members of the Association; no special assessment which would exceed such One Thousand & No/100 Dollars (\$1,000.00) limit may be made until the same is approved by members holding at least a majority of the votes in the Association. All special assessments shall be payable (and the payment thereof may be enforced) in the manner herein specified for the payment of Common Expense Charge.

5.05 Fines. The Board shall have the power and authority to fine any Owner who repeatedly violates any Rules and Regulations promulgated by the Association. The minimum fine imposed shall be One Hundred & No/100 Dollars (\$100.00) per day for so long as the violation continues. In the event the violating Owner fails or refuses to pay said fine(s) within ten (10) days of written notice of the same, payment of such fines shall be enforced as provided for in Paragraph 5.06 hereof.

5.06 Collection. One-twelfth (1/12) of the portion of the Common Expense Charge assessed against each Owner shall be due and payable, in advance, on the first day of each calendar month during the year for which the Common Expense Charge in question has been assessed. Any such amount not paid and received by the twelfth (12th) day of such month shall be deemed delinquent and the delinquent Owner shall be liable for a late charge of Twenty-Five & No/100 Dollars (\$25.00) in addition to such assessment. In addition, assessments not paid and received by the twelfth (12th) day of the month shall bear interest at the rate often percent (10%) per annum or the highest nonusurious rate allowed by law, whichever is less, from the date originally due until paid. In order to secure payment of the Common Expense Charge, the vendor's lien and superior title to each Unit shall be and is hereby reserved to the Association which lien shall be enforceable through appropriate non-judicial or judicial proceedings, whichever the Association deems to be appropriate. The vendor's lien and superior title reserved herein shall be subordinate in all respects to any Mortgage, and any Mortgagee acquiring title to a Unit whether pursuant to the remedies provided for in its Mortgage, or procedures in lieu thereof, shall not be liable for the unpaid portion of the Common Expense Charge attributable to the Unit in question that arose prior to such acquisition. In addition to the lien herein retained, in the event of non-payment by an Owner of such Owner's portion of the Common Expense Charge, an repairs made by the Association that are chargeable to the Unit Owners and/or fines imposed upon the Unit Owners by the Association, the Association may, upon ten (10) days prior written notice thereof to such non-paying Owner, in addition to all other rights and remedies available at law or otherwise, restrict the rights of such non-paying Owner to use the Common Elements in such a manner as the Association deems fit or appropriate. If the Association shall incur any legal expense, including attorneys' fees, to enforce any rights of the Association against an Owner, such Owner shall be liable to the Association for such expenses and the Association may recover the same. This Association's lien on a delinquent Owner's Unit for non-payment shall extend to include a lien for the amount owed plus late charges, interest, and attorney's fees.

The Association is granted and retains a power of sale to secure payments of the assessments provided for herein. To enforce the power of sale, the Association may appoint in writing a trustee or substitute or successor trustee, succeeding to all rights and responsibilities of

Trustee. If an Owner defaults in payment of the assessments, the Association may request Trustee to foreclose the lien, in which case the Trustee shall give notice of the foreclosure sale as provided by the Texas Property Code as then amended. The Unit shall be sold to the highest bidder for cash and the Association may purchase the Unit at any foreclosure sale by offering the highest bid and then have the bid credited on the amount owed. If requested by the Association to foreclose this lien, Trustee shall either personally or by agent give notice of the foreclosure sale as required by the Texas Property Code, as then amended; sell and convey all or part of the Unit to the highest bidder for cash with a general warranty binding Owner, subject to prior and superior liens and to other exceptions to conveyance and warranty; and from the proceeds of the sale, pay, in this order: (i) expenses of foreclosure, including a commission to Trustee of 5% of the bid; (ii) to the Association, the full amount of principal, interest, attorney's fees, and other charges due and unpaid; (iii) any amounts required by law to be paid before payment to Owner and (iv) to Owner, any balance. If any of the Unit is sold hereunder, Owner shall immediately surrender possession to the purchaser. If Owner fails to do so, Owner shall become a tenant at sufferance of the purchaser, subject to an action for forcible detainer. The recitals in any Trustee's deed conveying the Unit will be presumed to be true. Proceeding under this deed of trust filing suit for foreclosure, or pursuing any other remedy will not constitute an election of remedies.

5.07 Common Fund. The Common Expense Charges collected by the Association shall be paid into the Common Fund to be held in trust for the use and benefit, directly or indirectly, of the Project. Such Common Fund may be expended by the Board for the purposes set forth hereinabove and generally to promote the health, benefit, and welfare of the Project and the Owners.

5.08 Statement of Indebtedness. Upon written request of any Owner or Mortgagee or prospective Owner or prospective Mortgagee of a Unit, and upon payment to the Association of a reasonable fee to be determined by the Association, not to exceed One Hundred & No/100 Dollars (\$100.00), the Association shall issue a written statement (the "Statement of Indebtedness") setting forth the unpaid Common Expense Charges, if any, with respect to the subject Unit, the amount and due date of the then current monthly assessment, and any credit for advance payments or prepaid items. Such statement shall be conclusive upon the Association in favor of all persons who rely thereon in good faith. If a Statement of Indebtedness is not given within twenty (20) days after a request thereof, then (a) any lien for unpaid Common Expense Charges coming due prior to the date of such request shall be subordinate to the lien of any Mortgagee requesting such Statement of Indebtedness; and (b) any purchaser from the Owner of the Unit who requests a Statement of Indebtedness shall acquire the Unit free of any lien for such charges. Except as provided in the immediately preceding sentence, the grantee of any Unit shall be jointly and severally liable with his grantor for all unpaid Common Expense Charges up to the time of the grant or conveyance.

ARTICLE VI INSURANCE, CASUALTY, AND REBUILDING

6.01 Association Insurance. The Board shall obtain insurance on the Common Elements, against loss or damage by fire or by any and all other risks insured by standard

extended coverage policies in use in the State of Texas, with such endorsements as the Board deems advisable in an amount sufficient to prevent the Association from being a co-insured within the terms of such policies, but in any event in an amount not less than the full insurable replacement cost thereof; and such other insurance as the Board shall deem desirable. All costs, charges and premiums for the insurance provided for in this Article VI shall be borne by the Common Fund and all such policies of insurance shall name, as insured, the Association, as trustee for each Owner in accordance with such Owner's Percentage Interest, and all Mortgagees, as their respective interests may appear. All such policies shall be without contribution with regard to any other policies of insurance carried individually by an Owner, and shall provide that such policies shall not be terminated for any cause without at least thirty (30) days' prior written notice to the Association and the Mortgagees. If possible, all policies of insurance of the character described in this Article VI shall contain an endorsement extending coverage to include the payment of Common Expense Charges with respect to Units damaged during the period of reconstruction thereof. Any proceeds paid in respect of any insurance policy obtained by the Board pursuant to this Article VI shall be held and disbursed by the Board, as trustee for the Owners and Mortgagees.

6.02 Owners' Insurance. Each Owner shall be responsible for insuring his Unit, including the improvements, betterments, finish out, contents and furnishings of his Unit. All policies of casualty insurance carried by each Owner shall be without contribution with respect to the policies of casualty insurance obtained by the Board for the benefit of all of the Owners as above provided. Owners shall carry individual commercial general liability insurance including personal injury and death coverage in an amount of not less than \$500,000.00 per occurrence insuring against liability of such Owners, at their own cost and expense, with the Association named as an additional insured.

6.03 Repairs by Owner. Each Owner shall be responsible for the reconstruction, repair, and replacement of his Unit and his personal and other property in or part of his Unit that is not a General Common Element. Each Owner shall be responsible for any cost not otherwise carried by insurance carried by the Association and caused by such Owner's negligence or misuse or by the negligence or misuse of his agents or employees in the course of their duties, and shall, to the extent not covered by insurance proceeds collected by the Association, indemnify the Association and all other Owners against any such cost.

6.04 Distribution of Insurance Proceeds and Appointment of Attorney-in-Fact. This Declaration hereby makes mandatory the irrevocable appointment of an attorney-in-fact to deal with the Project upon its destruction. Title to each Unit is hereby declared and expressly made subject to the terms and conditions hereof and acceptance by any grantee of a deed from the Declarant or from any Owner shall constitute appointment of the attorney-in-fact herein provided. All of the Owners irrevocable constitute and appoint the Association, acting through its Board of Directors, their true and lawful attorney in their name, place and stead, for the purpose of dealing with the Project upon its destruction, upon the terms and conditions herein provided. As attorney-in-fact, the Association, upon resolution of the Board of Directors acting by its President and Secretary, shall have full and complete authorization, right and power to make, execute and deliver any contract, deed or any other instrument with respect to the interest of an Owner which may be necessary and appropriate to exercise the powers herein granted.

Repair and reconstruction of the improvements as used in this section means restoring the improvements to substantially the same condition in which they existed prior to the damage. The proceeds of any insurance collected shall be made available to the Association for the purpose of repair, restoration or replacement, subject to the terms hereafter set forth.

(a) In the event of damage or destruction due to fire or other disaster, the insurance, if sufficient to reconstruct the improvements, subject to the provisions of Subsection 6.04 (c), shall be applied by the Association, as attorney-in-fact, to such reconstruction, and the improvements shall be promptly repaired and reconstructed.

(b) If the insurance proceeds are insufficient to repair and reconstruct the improvements of the Common Elements subject to the provisions of Subsection 6.04 (c), such damage or destruction shall be promptly repaired and reconstructed by the Association, as attorney-in-fact, using the proceeds of insurance and the proceeds of a casualty loss assessment, to be made against all of the Owners and their Units as herein provided. Such deficiency assessment shall be common expense made pro rata, according to each time and in the manner specified by the Association. Association shall have the authority to cause the repair or reconstruction of the improvements of the Common Elements using all of the insurance proceeds for such purpose, notwithstanding the failure of the Owner to pay the assessment. The assessment provided for herein shall be a debt of each Owner and a lien on his Unit and may be enforced and collected as is provided or monthly and special assessment liens in this Declaration. In addition thereto, the Association, as attorney-in-fact, shall have the absolute right and power to sell the Unit of any Owner refusing or failing to pay such casualty loss assessment within the time provided, and if not so paid the Association shall be entitled to foreclose its lien against the Unit for the delinquent Owner. The proceeds derived from the foreclosure sale of such Unit shall be used and disbursed by the Association, as attorney-in-fact, in the following order:

- (i) For the payment of all sums unpaid on any Mortgage on such Unit;
- (ii) For the payment of all taxes and special assessment liens to the State of Texas or any political subdivision thereof;
- (iii) For the payment of unpaid Common Expense Charges and casualty loss assessments;
- (iv) For the payment of any costs and attorney's fees incurred in connection with foreclosure of the Unit; and
- (v) The balance remaining, if any, shall be paid to the Owner of such Unit.

(c) Notwithstanding any provision of either Subsections Section 6.04 (a) or (b) to the contrary, reconstruction shall not be compulsory if at least sixty-seven percent (67%) of the vote of the Owners, which shall include the vote of each Owner of a Unit that will not be rebuilt or repaired, is cast not to rebuild. If the Owners so vote to not rebuild any Unit, that Unit's allocated interest in the Project shall be automatically reallocated on the vote into a single estate owned in undivided interest by all Owners in said destroyed Building or Buildings as tenants in

common in the percentage interest previously owned by each Owner. The Association shall prepare, execute, and record an amendment to the Declaration reflecting the reallocation. If the entire Project is not repaired or replaced and unless otherwise unanimously agreed to by the Owners, the proceeds shall be delivered pro rata to the Owners or their Mortgagees, as their interest may appear, in accordance with their percentage ownership in the Project.

(d) If the Owners unanimously adopt a plan for reconstruction of the Common Elements which plan has unanimous approval of all Mortgagees, then all of the Owners shall be bound by the terms and other provisions of such plan. Any casualty loss assessment made in connection with such plan shall be made pro rata according to each Owner's interest in the project and shall be due and payable at the time and in the manner specified by the Association. The Association shall have the authority to cause the repair or restoration of the improvements of the Common Elements using all of the insurance proceeds for such purpose notwithstanding the failure of an Owner to pay the assessment. The casualty loss assessment provided for herein shall be a debt of each Owner and a lien on each Unit and may be enforced and collected as provided herein for monthly and special assessment liens. In addition thereto, the Association, as attorney-in-fact, shall have the absolute right and power to foreclose the lien against the Unit of any Owner refusing or failing to pay such assessment within the time provided. The proceeds derived from sale of such Unit shall be used and disbursed by the Association, as attorney-in-fact, for the same purposes and in the same order as is provided in Subsections 6.04 (b) (i) through (v).

Thereafter, the Condominium regime established by this Declaration shall terminate as to the Units destroyed. The Units destroyed shall be deemed to be regrouped and merged into a single estate owned in undivided interest by all Owners in said Units as tenants-in-common in the Percentage Interest previously owned by each Owner. In the event all Units are destroyed then and in such event the condominium regime established by this Declaration shall terminate. However, so long as any of the Units are not destroyed, this condominium regime shall remain in effect as to those Unit Owners whose properties were not destroyed.

6.05 Special Assessment for Repairs. If it is determined, as provided herein, that the of the Common Elements shall be repaired and reconstructed, then all proceeds of insurance policies carried by the Association with respect to such fire or casualty shall be paid to and held by the Association in accordance herewith. The Board shall thereupon contract to repair or rebuild the damaged portions of the Common Elements in accordance with the original plans and specifications therefore and the funds held for such purpose shall be disbursed in accordance with the terms of the contract of repair and rebuilding. In the event that such insurance proceeds are insufficient to provide for such repair, restoration, or rebuilding, those costs in excess of the insurance proceeds shall be assessed against all of the Owners, in proportion to their Percentage Interest. Such special assessments shall not require the consent of the members notwithstanding the provisions of Paragraph 5.04 hereof. If any Owner shall fail to pay such assessments when due, the Board may make up the deficiency by payment from the Common Fund. Payment of such assessments shall be enforced as provided for in Section 5.06 hereof.

7.12 Alterations. Each Owner shall have the right to modify, alter, repair, decorate, redecorate, or improve each Owner's Unit provided that such action does not impair the structural integrity, weaken the support, or otherwise adversely affect any other Unit in the Project and provided that all such action is performed in a good womanlike manner.

7.13 Appeal of Board Decision. Any decision of the Board of Directors regarding interpretation or enforcement of the foregoing use and occupancy limitations on the rules and regulations adopted by the Board may be appealed to the Owners and shall be rescinded or nullified by a petition signed by Owners having at least 51% in interest of all of the Association, except to the extent that use and occupancy limitations are governed by plat and/or Declaration of Covenants, Conditions, and Restrictions duly recorded in the Official Public Records of Travis County , Texas.

SURVEYOR'S NOTE

There appears to be a conflict between the north line of the subject tract and the south line of the Elton Lane City Homes Condominiums as described in Document No. 2002125772 of the Travis County Official Public Records, although there appears to have been no conflict between the two tracts as originally described.

The lines of the subject tract were originally described by that deed to G.H. Kastner and wife dated February 1946 recorded in Volume 772 Page 496 of the Travis County Deed Records. The parent deed to the Elton Lane City Homes tract conveyed to Robert H. McIntyre recorded in Volume 2698 Page 148 of the Travis County Deed Records indicates that the tract's south line is intended to run with the Kastner north line and continuing with the north line of the tracts to the west (Darrell G. Roe tract in Volume 602 Page 553 and Milton Schley et Ux. tract in Volume 974 Page 136), which are not all in line with each other. Further no bearing and distances are provided in the

Despite the specific instruction that the north line of the Kastner and tracts are to form the south line of the McIntyre tract even though not one continuous straight line, the surveyor of the Elton Lane City Homes Condominiums adopted a south line which runs in a straight line from the northeast corner of the Kastner tract to the northwest corner of the Roe tracts on Elton Lane. This has created a deed description overlap across the subject tract and a gap with the Roe and Schley tracts.
