

LIBERTY HILL Texas

WHY?

Nestled between the North and South forks of the San Gabriel River, remnants of small ranching and farming villages have evolved over the past 175 years into one of the fastest growing communities in the Austin metro area. Families and businesses are locating to the Liberty Hill area today for the same reasons they did throughout history — the beauty of the rolling hills along the Shin Oak Ridge, good schools and plenty of opportunities!

ARTS & CULTURE

Artists, craftsmen, chefs and musicians all find inspiration in Liberty Hill. A major artistic asset for the City is the International Sculpture Park, created in 1976 through an International Sculpture Symposium where 24 artists from around the world gathered for two months to create large-scale pieces from Texas stone and bronze. In the summer, residents and visitors alike flock to City Park Cinema, home to the City of Liberty Hill's summer movies in the park series.

The Liberty Hill Independent, a local newspaper published weekly since 1987, has been recognized with numerous awards by The Texas Press Association. In addition to print media, Liberty Hill is poised for the film industry: in 2015, the Liberty Hill EDC initiated participation in the Texas Film Commission as a "film-friendly" city.

PARKS & RECREATION

Liberty Hill is home to the Lions Foundation Park and Liberty Hill City Park. The City provides recreational opportunities that include football and soccer fields, basketball courts, baseball fields, hike and bike trails, the Park Pavilion, and playscapes. The Splash Pad at Wetzel Park is a new addition from the Parks & Recreation Committee that brings fun and relief from the summer heat.

COMMUNITY POOL

A community swimming pool is coming soon to City Park. The Parks & Recreation Committee has been working hard to bring a pool to the community. A Ground Breaking Ceremony was held on June 2019 to start the project. Anticipated completion is May 2020.

PLAY

Liberty Hill residents are near art galleries, wineries, symphonies, museums, live theater and fine eateries. However, several activities and events in our city happen all year long. Festivals, civic events, wine tastings, art celebrations and more bring fun and excitement to our residents and visitors. New retail is also moving in along the 183 corridors in Leander, just a few short miles from Liberty Hill.
